Who We Are

Our family bakery specializes in creating distinctive island-inspired confections and baked goods. From our famous liliko'i lemon bars to our delectable gourmet breads, our family-run bakery offers inspired tastes that retain a freshly baked, homemade quality everyone loves.

How to Order

There are no preservatives in any of our products; to ensure the integrity and quality of our baked goods, we require orders to be placed at least 48-hours in advance. You may place an order with us over the phone or through our website.

Shelf Life

From the day of pick-up we recommend that all products be refrigerated. They may also be left out in a cool air-conditioned area out of direct sunlight, but doing so will shorten their shelf life.

Although we can't guarantee an absolute length of time, as a general rule our products are good anywhere from two to five days from date of pick-up.
